ACEHK 40TH ANNIVERSARY SEMINAR ON “INNOVATION AND CREATIVITY”

Wednesday, 29 June 2016

Theatre II, Hong Kong Convention and Exhibition Centre

1 Harbour Road, Wanchai, Hong Kong

INTRODUCTION

The Association of Consulting Engineers of Hong Kong (ACEHK) is a non-profit making association representing the consulting engineering profession in Hong Kong. As an industry group, the association seeks to set and maintain standards of professional conduct and ethics of consulting engineers, promote the advancement of the profession of consulting engineering and promote the professional interests, rights, powers and privileges of consulting engineers.

This year, we celebrate the 40th anniversary of the Association of Consulting Engineers of Hong Kong (ACEHK) with the theme of “Innovation and Creativity”. Organized by the ACEHK, this Seminar aims to build from our established high quality infrastructure portfolio in Hong Kong, to address recent public aspiration/ demand for a balanced living environment, and to optimize costs and resources to achieve a sustainable future. The Seminar will bring leading experts from a spectrum of disciplines to share and discuss innovation and creativity solutions to address and overcome issues in the planning, design, construction, operation and maintenance of modern day infrastructure.
